Lesson 10: Practice

This lesson provides the final review and practice with all basic sounds and foundational skills. The practice includes word making activities and reading a mixed list of decodable words of all basic sounds. Remember sufficient practice is essential to build necessary skills and establish correct phonologic processing.

Word Making Activity: Make words with the sound tiles. Correct any errors. **See page 34-37 for complete illustrated instructions.**

Use sound tiles... a e i u c b d g l m n p r s t ch
